B. OTHER INSURANCE REQUIREMENTS

The Contractor understands that it is its sole responsibility to provide the required Certificate and that failure to comply within 10 days after notice of award and according to the requirements of this article shall be a cause for termination of this Contract.

For any pesticide spraying performed, the City of Mesquite will require the successful bidder to carry Pollution Liability Insurance and Environmental Impairment Liability Insurance.

Insurance required herein shall be issued by a company or companies of sound and adequate financial responsibility and authorized to do business in the State of Texas. All policies shall be subject to examination and approval by the City Attorney's office for their adequacy as to form, content, form of protection, and providing company.

Insurance required by this Contract for the City, as additional insured shall be primary insurance and not contributing with any other insurance available to City, under any third party liability policy.

The Contractor further agrees that with respect to the above required insurances, the City shall:

1. Be named as additional insured/or an insured, on all required insurance except workers' compensation.
2. Be provided with a waiver of subrogation, in favor of the City on all required insurance.
3. Be provided with an unconditional 30 days advance written notice of cancellation or material change.

4. Prior to execution of this Agreement, proof of insurance shall be provided through the office of the City Secretary with either their original Certificate of Insurance or their insurance policy evidencing the above requirements. Thereafter, new certificates or copies of the policies shall be furnished prior to the expiration date of any prior certificate.

C. Additional Worker's Compensation Insurance Requirements

1. Definitions:

Certificate of coverage ("certificate") A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, TWCC-84), showing statutory Worker's Compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

Duration of the project - includes the time from the beginning of the work on the project until the contractors'/person's work on the project has been completed and accepted by the governmental entity.

Persons providing services on the project (subcontractor" in 406.096) - includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity or employees of any entity, which furnishes persons to provide services on the project. "Services" include, without limitation, providing, hauling, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

2. The contractor shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements. Which meets the statutory requirements of Texas Labor Code, Section 401.011 (44) for all employees of the contractor providing services on the project, for the duration of the project.
3. The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract.
4. If the coverage period shown on the contractor's current certificate of coverage ends during the duration of the project, the contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.
5. The contract shall obtain from each person providing services on a project, and provide to the governmental entity:
 - (a) a certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage for all persons providing services on the project; and
 - (b) no later than seven days after receipt by the contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
6. The Contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.
